

Friends of Millhouse would like to say a huge thank you: for all the bottles, cakes, biscuits; for sending in raffle and tombola prizes; for coming to school fayres and giving your children spending money.

We have used the money raised to help fund extra events, trips and activities to enhance your child's school experience and education. Last year we supported:

- Trip to the pantomime for all pupils, including transport and refreshments
- Christmas party refreshments and prizes
- Christmas gifts and crackers
- Viking experience in school for KS2
- Victorian toy workshop for KS1
- A contribution to educational trips for every pupil
- PE bags and book bags for all new pupils
- A monthly donation to Action Aid to support the education of a child in a developing country and to raise pupils' awareness of global issues

BUT...

We are in danger of not being able to fund these things any more. Friends of Millhouse School is a group of parents, grandparents and anyone with a connection to the school. Unfortunately, after years of fantastic fundraising, nearly every member left at the end of the summer term because their children were moving to secondary school. It would be such a shame to lose the group after it has been running for many, many years and we would still love to be able to offer your children all these wonderful experiences.

What can I do?

Please sign up to become a member. You do not have to commit to everything - just any time you are able to give would be really appreciated. Please bring any pre-schoolers with you if you need to and we would really welcome any new ideas. Please return this with your details if you are able to help in any way.
