

Class 4 Home learning Weekly Overview: w/c 25/1/21

There were some superb dances last week. If you want to get your parents to do it too, that would be great. Again, I have been really pleased with your engagement with our home learning. You are working well and lots of the work has been fantastic. Remember, please get in touch if you are confused about anything! I try and reply as quickly as possible.

All the lessons are in sequence for all the subjects. It is important that, if you have missed one, you make sure you go back and keep doing them in order.

I hope the Seesaw videos are helping. I have worked out how to get the maths on there too.

Remember, open the 'Add Response' for the work sheets then check on the answer sheets.

Looking forward to the Zoom on Tuesday this week!
