

Class 4 Home learning Weekly Overview: w/c 18/1/21

I have been really pleased with the engagement you are showing with your home learning. You are working well and lots of the work has been fantastic. Please get in touch if you are confused about anything.

All the lessons are in sequence for all the subjects. It is important that, if you have missed one, you make sure you go back and keep doing them in order.

We will be using Seesaw to send out a lot of videos to help you. You should be able to do most things without interrupting whoever is looking after you. Send me a message if you are stuck. I try and reply as quickly as possible but obviously I am doing things in school too. If it is taking a while, leave that task until I reply and try another.

Looking forward to the Zoom on Tuesday this week!

Maths	English:
Ongoing activities: TT Rockstars/ times-table work Numbots 20 minutes a day and you will fly There are challenges for area and division on both Purplemash and Seesaw.
