

Class 4 Home learning Weekly Overview: w/c 22/2/21

If you have finished your disaster story, that is amazing. The standard has been so high. If you are nearly there, keep going.

All the lessons are in sequence for all the subjects. It is important that, if you have missed one, you make sure you go back and keep doing them in order.

I hope the Seesaw videos are helping. Remember, open the 'Add Response' for the work sheets then check on the answer sheets. You can write on with the text box.

Looking forward to the Zoom on Tuesday this week!
