

Class 4 Home learning Weekly Overview: w/c 8/2/21

Some of the stories that have come in are amazing. **Remember, you must finish the last story before you start to look at the Disaster Story.**

All the lessons are in sequence for all the subjects. It is important that, if you have missed one, you make sure you go back and keep doing them in order.

I hope the Seesaw videos are helping. I have worked out how to get the maths on there too.

Remember, open the 'Add Response' for the work sheets then check on the answer sheets.

Looking forward to the Zoom on Tuesday this week!
