

#### Class 4 Home learning Weekly Overview: w/c 1/3/21

ONE MORE WEEK! Keep going everyone. I have seen so many of you being absolute superstars! It's World Book Day this week and we have lots of fun activities planned.

All the lessons are in sequence for all the subjects. It is important that, if you have missed one, you make sure you go back and keep doing them in order.

I hope the Seesaw videos are helping. Remember, open the 'Add Response' for the work sheets then check on the answer sheets. You can write on with the text box.

Looking forward to our final Zoom on Tuesday this week!

*I have uploaded some challenges for you to have a go at. Check them out on Seesaw. I have seen a couple of people have a go at some of these.*

Daily English work:

We are going to finish our information sheets about our ogres. **Do not start this unless you have sent me your Bookshop stories.** We are following a Talk4Writing format. The children are familiar with this approach. There will be a sequenced lesson sent out daily.

Remember, there are videos on Seesaw which explain fronted adverbials, relative clauses etc.
