

## Millhouse Primary School

### Geography Intent Statement

#### Intent

The intention of the Geography Curriculum at Millhouse Primary School is to inspire children's curiosity and interest to explore the world that we live in and its people, which aims to ignite a love of learning. We intend to equip children with geographical skills to develop their knowledge through studying places, people and natural and human environments. This seeks to deepen the understanding of the Earth's human and physical forms and processes. Geography, by nature, is an investigative subject. Through our teaching, we intend to provoke thought, questions and to encourage children to discover answers to their own questions through exploration and research to enable them to gain a greater understanding and knowledge of the world and their place in it.
