Homework:

Help with homework.

Encourage children to present their work to a high standard.

Homework is set on Fridays and should be returned by Wednesday.

Spelling:

Spellings will be sent home every Wednesday and the children will be tested on these spellings the following Wednesday. Please encourage your child to learn their spellings throughout the week- the best way to do this is via spelling frame.

The spellings will be based on the rule that we are learning throughout the week.

Your child will receive their spelling frame login and it will be stuck in the front of their reading record. Please encourage them to play the activities and complete the online tests.
